USEFUL INFORMATION / CUSTOMS REGULATIONS

1. Returning Malaysians, having stayed abroad for more than 12 months continuously, may ship one of each used (for at least six months) household and personal item duty free. Items which look new require purchase receipts as proof to Customs upon clearance.
2. Foreign personnel may import shipments duty free as long as their items are owned and used for at least six months prior to arrival. Any items which looks new require receipts as proof to customs upon arrival. Copy of work permit or letter of employment from the local company, passport and latest entry stamp are required before clearance can take place.
3. A list of electrical items must be made together with brand, model, serial number, year purchased, and origin, to be submitted to us before shipment arrives at port of entry as an electrical permit is required before clearance.
4. Video tapes and CD's require censorship approval at a charge of US\$3.00/tape. If material is deemed not suitable for viewing in Malaysia, Customs are entitled to destroy such items. There will be additional fee imposed to destroy the items and will be billed back to shipper.
5. Liquor and cigarettes are subject to heavy import duty. Shipper also must obtain "approval permit" from the ministry of trade before shipping from origin. Please refer to us for more information.
6. For automobiles and motorcycles, shipper must obtain "import permit" from the Ministry of Trade before shipping from origin.

7. ADDITIONAL INFORMATION

- a) Customs clearance is always completed at the port of entry and subject to 100% customs examination.
- b) Transpo requires OBL, packing lists and owner contact in Malaysia at least five days before vessel arrival at port of entry in order to expedite normal customs clearance. Customs clearance will take 2-4 working days for container loads and LCL shipments.
- c) Consolidation is not recommended, please contact us for instructions before container loading at origin.
- d) Packing lists must have proper description of all contents and must be written in English.
- e) ISPM 15 is required.

8. QUARANTINE OF ANIMALS

- a) Household pets may be imported into Malaysia as long as the animal has an import permit. Before arrival Transpo may apply for an import permit on behalf of the client upon receipt of health and rabies vaccination certificates and full particulars of the pet, including name, age, breed, colour and sex. Also eta flight and owner local contact.

Please refer to us for more information as some pets are disqualified from entering the country.

- b) Quarantine period is within seven to thirty days, depending on the pet condition upon arrival and veterinary doctor's approval. However consignee may apply in writing to transfer the pet to their residence after seven days to complete home quarantine. If further quarantine is required, it is at the discretion of the local authority.

Below are the guidelines and requirements from the Malaysian veterinary on the following breed entering into this country and it is subject to changes.

- a) The following breeds are prohibited to enter/import into the country:
Dogo Argentino, Fila Brasileiro, Japanese Tosa, Pit Bull Terrier and American Pit Bull.
- b) The following breeds can enter/import into Malaysia under special permit approval from the government veterinary prior arrival in KLIA.
German Shephard, Dobermann, Rottweiler, Belgian Shephard, East European Shephard, Bull Mastiff, Bull Terrier and Canary Dog.

* Documents required for application for this special permit are as follows:

- Must not be less than six month at the time of importing.
- Require micro-chipped proof.
- Owner local address (The residence here must be available for veterinary inspection)
- Letter from the owner confirming the following:
 - i) Dog is family pet
 - ii) Dog is not for breeding or for sale.
 - iii) Dog will be kept in the compound at all times.
 - iv) Dog will be muzzled and leashed when not in the compound.
 - v) Two copies of latest picture of the pet.

Please allow at least three working weeks for the government veterinary doctor to process the approval of the permit.
